

Thank you for your interest in our products.

Please fill out the information below and send/email it to us using this form. There is no obligation to purchase. We will email you back the price for the product(s), applicable taxes if any (sales in Texas), and the ground Fed Ex shipping charges. Packaging costs are a standard \$4.79 per box. We ship in one, two or four gallon boxes and five gallon pails which are also boxed.

During our hours of operation, you can expect a response in two hours or less; we will email this form back to you with your price at the bottom. Hours of operation are 8:00 am to 5:30 pm CST Monday - Friday. Price quotations are not available on the weekends.

Below is the information and conditions applicable for selling and shipping our products.

With the exception of our water based products, NS200, NS500 and NS800, all our other products are solvent based. We cannot ship solvent based products to VOC compliant states (Volatile Organic Compounds). If you live in one of the following states or areas we cannot ship these products to you at this time:

- California, Maine, Vermont, New Hampshire, Maryland, Massachusetts, Rhode Island, Connecticut, Virginia, New York, New Jersey, Pennsylvania, Delaware or the District of Columbia covered by the Northeast Ozone Transport Commission (NE-OTC), Illinois, Indiana, Michigan, Wisconsin or Ohio covered by the Lake Michigan Air Directors Consortium (LADCO), Maricopa County, Arizona and finally, not VOC compliant in Canada.

The following is a list of our sealant products. Please indicate opposite the Product Number the quantity you are interested in purchasing.
